## ***01 Communique Upgrades to Trade on OTCQB Market***

---

**TORONTO, ON – July 7, 2025.** 01 Communique Laboratory Inc. (the "Company") (TSX-V: ONE; OTCQB: OONEF) one of the first-to-market, enterprise level cybersecurity providers for the quantum computing era is pleased to announce that the Company has been upgraded to trade on the OTCQB® Venture Market ("OTCQB"), upgrading from the OTC Pink Market effective immediately. The Company's ticker symbol remains as "OONEF" and also retained its eligibility with the Depository Trust Company ("DTC") for the Company's common shares. The Company's common shares will continue to trade on the TSX Venture Exchange under the symbol "ONE".

Andrew Cheung, CEO of the Company, stated, "Upgrading to the OTCQB market is an important step for us in helping to enhance trading transparency for our U.S. investors. Trading on the OTCQB market complements our Canadian listing on the TSX Venture Exchange. As we move forward with our game plan for fiscal 2025 and beyond to grow our Company by advancing our Post Quantum Cryptography ("PQC") compliant quantum-safe technologies, we expect trading on the OTCQB will help to increase the Company's visibility and improved liquidity for U.S. investors."

Information relating to the Company as well as real-time price quotes will be available on [www.otcmarkets.com](http://www.otcmarkets.com). The OTCQB, operated by the OTC Markets Group Inc., is the premier marketplace for entrepreneurial and development stage companies that are committed to providing a high-quality trading and information experience for their U.S. investors. To be eligible, companies must be current in their financial reporting, and undergo an annual company verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.
